Spring 2013

Hello Fellow Members:

I hope everyone and their families are in good health and had a wonderful holiday season. I hope that everyone had a successful and safe hunting season. We are into the very busy part of the year here at Upper Adams Fish & Game. With all of the events we have, we could use some extra help. With work schedules and other commitments we find at times, we are short of help. So it would be nice to see some new faces to help out.

2013 Club Membership Dues

Your 2013 dues needed to be paid by the end of the January meeting. Please stop by the club at one of the events to pay them. There will be someone there to collect them.

.410 Block Shoots

We will be having a .410 Block Shoot on Sunday, February 24, 2013 at 1:00 PM and on Sunday, March 24, 2013 at 1:00 PM. Shells will be provided by the club. So please bring your sons/daughters out to this fun shoot.

Sportsmen Forum – March 20, 2013 Club Meeting Night

Senator Rich Alloway will be holding a Sportsman Forum for club members as part of our March 20, meeting. As a result, this meeting will begin at 6:00 PM to allow time for the Senator to discuss topics that are important to us – Game Commission, Fish & Boat Commission, and 2nd Amendment Rights. This will be a time of discussion, since he is looking for the member's opinion on these topics. We will proceed with our regular meeting afterwards. A meal will be provided that evening, but **YOU MUST RSVP** by March 13 to Stan Shrader – 624-4882, Ike Williams – 528-4208, or the club email – so we have an accurate count for meals. You can attend the meeting without an RSVP, but you will miss out on the meal.

Block Shoots

Our weekly Block Shoots have been fairly well attended. We are averaging about 40 to 45 shooters a night. We could use about 10 to 15 more shooters. Our wheel players have been down and could use more players, too. This is one of our biggest money makers for the year. So come out and shoot, play the wheel, or other small games of chance. Come and support the club and take home some good meat prizes.

Running Deer & Elk Shoots

Our bi-weekly Running Deer and Elk shoots are well attended with everyone having a good time and the kitchen serving good food. Please if you have never tried the shoot, bring your favorite rifle and shells. Come and support the club and get some good practice shooting at the Running Deer and Elk targets.

Annual Club Membership Feed

The Annual Club Membership Feed will be held on Friday, March 29, 2013. The doors open at 5:00 PM and the food will be served at 6:00 PM. This is the only time any alcohol is permitted on the property and any leftover is removed from the building. Please we want everyone to come and enjoy yourself. All help is appreciated and we will have some small games of chance to play to support the club.

Gun Drawing with United Hook & Ladder

Again this year we will be working with United Hook & Ladder to hold a gun drawing at their station in New Oxford. We work together to sell 275 tickets at \$25.00 each and you may bring a guest(s) for an additional \$5.00 per person. The Gun Drawing at New Oxford is on April 6, 2013 with the doors opening at 3:00 PM and the meal served at 5:00 PM. This is a great fundraiser for both organizations, so please buy a ticket and come and have a good time.

Claybird Shooting

We will start shooting claybirds on Monday, April 22 at 5:30 PM and continue every Monday night until September. It will cost \$3.00 a round for 25 claybirds.

Kids Fish Rodeo

The Kids Fish Rodeo will be held on Saturday, June 1, 2013 at 12:00 PM. The pond will be open from that date until and including June 9, 2013 for kids up to 13 years of age. A limit of 3 fish per child.

Club Members Fishing

The pond will be stocked with Trout for members only to fish. Please watch for posted signs as to when the pond is open and closed. Obey all fishing laws and Club Pond Rules. A limit of 3 fish only.

Annual Club Family Picnic

We will be holding the 3rd Annual Club Picnic on August, 17, 2013. The doors open at 4:30 PM. You will be receiving more details and RSVP information later. Please plan to bring the family and have a great time!

Rifle Ranges

Over the next couple of months the ranges will be used frequently. If you come out to use the ranges, please only shoot at the targets hung on the rubber target boards. Clean up after yourself or anything left by the person before you. Remember to carry your badge and membership card at all times when using the club facility. Remember it costs the club money to repair any damage done by thoughtless people.

President's Message

Well I have gone on long enough, but as you can see we are very busy. So please stop by and bring a friend. We can always use new members. If you have any questions on what is happening at the club refer to your Calendar of Events with this newsletter. Better yet attend the monthly meetings and learn first hand what goes on and what it takes to keep the club operating smoothly. Hope everyone and their family has a wonderful year and looking forward to seeing everyone at the club.

Sincerely,
