

Spring 2014

Hello Fellow Members,

WOW, has this winter been fun. Just kidding! I hope this letter finds everyone in good health. The hunting seasons and trapping seasons are almost over. Soon, we will be looking at warmer weather with trout fishing, turkey scouting and hunting. Let's hope with all the snow and ice the deer, turkey and other wildlife make it through the winter in good shape, so there will be a healthy hatch and fawn crop.

We are in the busy season here at Upper Adams Fish and Game with our weekly block shoots and running deer shoots. Stop by, bring your favorite shotgun for the block shoots or your rifle for the deer shoots.

SHOOTING RANGES

New shooting range rules have been posted at three locations around the building. The 200 yard, 100 yard bench and pistol/.22 range all have range rules posted near them. Please obey all shooting range rules. "Range Closed" signs will be posted when someone is working around buildings and shooting ranges. If someone is working, please check and see when they will be finished.

This is a very busy time of the year here at UAF&G. Sometimes we have three events a week. If anyone has any extra time, come to one of the events and volunteer. We can always use extra help and your help will be greatly appreciated.

I wish to thank everyone who has helped last year and this year. Without everyone's help it would be difficult to keep everything working smoothly. "Again, Thank You!"

Please check your calendar of events to see what and when UAF&G events are planned.
