

Upper Adams Fish and Game Spring 2017 Newsletter

Hello Members,

Fall is gone, along with the hunting seasons. I hope everyone had an enjoyable season. Remember it is nice to enjoy success and put meat on the table, but if you did not harvest game that doesn't mean you didn't have a successful and enjoyable hunt. If you weren't fortunate to score stop by the club and bring pictures and swap stories. This is the "busy season here at the club" with block shoots, deer shoots, meetings and do not forget the club members feed and Gun Raffle. But don't forget to "**PAY YOUR DUES!**"

Dues- Did you remember to pay them? You can still pay for them. Stop by the club at one of the many functions to pay them. Remember your dues must be paid to use the club facilities and attend the feed. No dues will be accepted the night of the feed.

Block Shoots- Our block shoots are doing good but could be better attended. This is one of our big money makers to keep the bills paid. If you have a Thursday evening free and are looking for something to do stop by the club. Play the small games of chance, bring your tight shooting shotgun and join in the fun.

Running Deer Shoots- Check the calendar of events for dates. Stop by with your rifle and ammo to join in the fun, get practice, and have fun at the same time. Men, women, and children there is a class for everyone.

Top Gun Triathlon- The event will be held on April 1st doors open at 6:30am. It is a fun day and show your skill with shotgun, rifle and handgun. Stop by the club and pickup the rules.

Members Feed- The feed will be held on Friday March 31st, doors open at 4:30pm. We will start eating at 5:30pm. Come out to enjoy good food, play some small games of chance, and to meet up with old friends. Remember No dues will be accepted the night of the feed.

Gun Raffle- This year the club will be having a Gun Raffle. It will be held at the club. It is on April 8th. The doors will open at 3:30pm. There will be a meal and refreshments. Small games of chance will also be played. There will be 149 tickets sold, the 150th ticket will be raffled off the night of the drawing and placed in for the last 5 drawings. So it will be a guaranteed gun winner. Tickets are \$30. Everyone must have a ticket to enter the club; no guests will be permitted without a ticket. Tickets are limited and available at the club. So purchase a ticket and come out to enjoy good food and refreshments. Who knows you might win a gun or other prize. All help will be greatly appreciated for set-up, clean up, serving food and helping with the small games of chance. If you would like to purchase a ticket or help please contact me.

Children's Fish Rodeo- The rodeo will be held starting at noon on June 3rd. It is open to all children up to age 13. The pond will remain open for children only until dark on June 11. Limit 3 fish per day.

Trap Shooting- Will start on May 8th at 5:30

Annual Club Family Picnic- The picnic will be on June 17th, the doors open at 4:00pm. Eating will begin around 5:30pm. Small games of chance, grill raffle, 50/50, will be played this day. All we ask is you bring a covered dish and/or dessert, and your own drinks, remember no alcohol. On the day of picnic will be shooting claybirds starting at 1:00pm, for those interesting bring your shells and guns.

Reminders- When using the club facilities please follow all pond & rifle range rules posted. Remember when fishing to follow all state rules. There is a 3 fish limit per day NO catch and release of trout.

Final Thoughts- Well I hope I did not miss anything important. I tried to touch on the most important dates. Always check your calendar of events at the club. Remember as we go through the year please be safe and careful so we can see you at the club. Remember you do not have to catch the largest fish or harvest the largest turkey to be successful. Take in Mother Nature's sights and sounds. Enjoy a sunrise or sunset. A big thank you for all that have helped in the past and those who will help in the future. For without your help we could not keep the club moving forward, and without everyone helping to support the club it would be hard to keep the bills paid. Enjoy the spring and summer. Remember always looking forward to "seeing you at the club."
